

Camp Program

World United FC was created in 1995 by Brazilian players in the Bay area to offer year round soccer activities. Now based in Mountain View, CA, Vava Marques directs the programs that include club outdoor teams, Futsal programs during the winter, summer youth camps, and trips to Brazil to train with professional clubs.

The Summer Camp Program is both a skills based camp and game oriented environment developed to emphasize the creative Brazilian form of soccer. Small sided games encourage individual players to gain confidence through anticipation rather than reaction. Young players enjoy sport activities that are fun and cooperative.

This Summer Camp is for boys and girls with players grouped in appropriate age groups. Activities are flexible and will encourage adjustments for skill level, desired competition and enjoyment.
